How to use this workbook

This packet contains three tools: the Structured Decision-Making (SDM) Scorecard, a 90-Day Roadmap, and a set of hearing-preparation checklists. An optional Sex Offense Addendum follows.

Score honestly. A 5 means the record — not just memory — will show it. A 1 means the record will hurt you. The goal is to turn 1's and 2's into 4's and 5's before the packet is mailed, which should arrive at least 15 days before the hearing.

This document is a planning tool. It is not legal advice and does not create an attorney-client relationship.
