

Sex Offense Readiness Addendum

Use this addendum when the record involves sex offense convictions or when the CRA emphasizes sexual self-regulation. It supplements — it does not replace — the general scorecard.

Sex Offense Scorecard

Readiness domain	Score (1–5)	Priority	Notes / evidence
Treatment alignment & readiness Current enrollment or documented waitlist for available programs (e.g., CHANGE, REALIZE); consistent, voluntary engagement; facilitator feedback.	1 2 3 4 5	H M L	
Offense cycle mapping Written cycle identifying antecedents, escalation points, decision points, and interventions — specific to this client, not generic.	1 2 3 4 5	H M L	
Sex offense management plan Covers arousal management, boundaries, technology/internet use, relationship rules, and a named accountability circle.	1 2 3 4 5	H M L	
Victim awareness & impact Demonstrated understanding of harm caused, empathy without self-pity, and full responsibility — in writing and in statements.	1 2 3 4 5	H M L	
Trauma history integration If relevant, trauma is addressed as context (not excuse) with professional support and a plan for ongoing care.	1 2 3 4 5	H M L	
Post-release continuity	1 2 3 4 5	H M L	

Readiness domain	Score (1–5)	Priority	Notes / evidence
Named CASOMB-certified provider(s) in county of release, realistic plan for conditions of parole, and pre-arranged first appointments if possible.
